SEAN'S "SPREAD" ADVICE

- The more variety you give, the more you have to order, because guests tend to waste more. Go simple.
- For salads, put the dressing on the side with a little teaspoon. That way the lettuce stays fresh.
- Put your plates at the beginning and your utensils at the end of the buffet line.
- Not eating for a while? Put the pans in the oven on low, and keep the food warm.
